

Nursery Newsletter

The theme for February is
"Dinosaurs"

Dundela Infants' School
February 2019

This month we will be learning about Dinosaurs. We will learn the names of different dinosaurs, the climates that they lived in and the types of food that they eat.

We will also be learning that dinosaurs are now extinct. We are looking forward to welcoming Science Starz back to Nursery on Thursday 14th February. They will be leading an exciting workshop on dinosaurs.

Please remember
all children
need a spare
set of clothes
on their peg in
case of
accidents or
falls

We will be thinking about positional language and shapes this month. Encourage children to look out for shapes in the environment (circle, triangle, square and rectangle).

We will have a visit from Jo Jingles again on 21st February. The children really enjoy these group music sessions.

Red and white paint will be mixed to make shades of pink for
VALENTINE'S DAY

Kung Hei Fat Choi!

This month we will be celebrating Chinese New Year in school. We will have a Chinese restaurant in our role play area and would be grateful for any items that will enhance this e.g. menus, posters, chopsticks.

Help Us

Read stories and information books about dinosaurs.

Please send in one box of tissues and two packets of baby wipes for this term if you have not already done so.

ABSENCE

PLEASE REMEMBER TO
SEND IN A NOTE OF
EXPLANATION IF YOUR
CHILD HAS BEEN ABSENT
FROM SCHOOL.

NURSERY FUND

Term 2 £30

Jan £8 Feb £8 Mar £8
April £6

Many thanks to all the
parents who have paid.
Please check with your
teacher to ensure you are
up to date.

Please remember this pays
for a healthy snack, all our
visits and extra equipment
for your child.
