

# Nursery Newsletter

The theme for February is  
"Dinosaurs"

Dundela Infants' School  
February 2020

This month we will be learning about Dinosaurs. We will learn the names of different dinosaurs, the climates that they lived in and the types of food that they eat.

We will also be learning that dinosaurs are now extinct. We are looking forward to welcoming Science Starz back to Nursery on Friday 14<sup>th</sup> February. They will be leading an exciting workshop on dinosaurs.

We know that the children love to bring their own toys to school but to facilitate the move to primary one, we ask that after half term all toys are kept at home.

This month we will continue to think about pattern and shape. We will introduce the language of size. Encourage children to look out for shapes in the environment (basic shapes as well as star, diamond, heart, hexagon, oval etc).

We will have a visit from Jo Jingles again on 5<sup>th</sup> March. The children really enjoy these group music sessions.

Red and white paint will be mixed to make shades of pink for  
VALENTINE'S DAY

## Please remember

All children need a spare set of clothes on their peg in case of accidents or falls. Please also ensure that your child has welly boots in school as we are hoping to use the front play area. Please ensure they have shoes with Velcro fastenings to enable them to put on and take off wellies/shoes independently.

## Help Us

Read stories and information books about dinosaurs.

Please send in one box of tissues and two packets of baby wipes for this term if you have not already done so.

## ABSENCE

PLEASE REMEMBER TO  
SEND IN A NOTE OF  
EXPLANATION IF YOUR  
CHILD HAS BEEN ABSENT  
FROM SCHOOL.

## NURSERY FUND

Term 2 £26

Jan £8 Feb £8 Mar £8  
April £6

Many thanks to all the  
parents who have paid.  
Please check with your  
teacher to ensure you are  
up to date.

Please remember this pays  
for a healthy snack, all our  
visits and extra equipment  
for your child.
